EXPERIENCE

Independent Contractor   Denton, TX
Frontend Developer / Web Accessibility Specialist   06/2023 - Present
- Developed responsive and user-friendly web applications using a variety of front-end technologies.
- Collaborated with clients to translate their visions into fully functional and visually appealing websites.
- Conducted accessibility audits to identify and address WCAG compliance issues.
- Demonstrated proficiency in version control with Git, ensuring seamless collaboration.

Winstar World Casino   Thackerville, OK
Table Games Supervisor / Pit Boss   01/2012 - 11/2021
- Managed pit areas with a staff of 20-40 dealers and an average buy-in volume of $125,000 per shift.
- Consistently maintained or exceeded the industry standard of 15% hold.
- Built customer loyalty through personalized interactions and relationship-building.
- Ensured game integrity by eliminating potential threats, such as card-counting on blackjack tables.
- Enforced Title 31 of the Bank Secrecy Act and recognized potential money laundering situations.

VOLUNTEER WORK

Dentonpalooza   Denton, TX
Webmaster for the yearly non-profit charity music festival, Dentonpalooza.   08/2023 - Present
- Utilized React and Framer Motion to build an engaging, informational website.
- Translated artistic direction into UI/UX, while incorporating sponsor identities.
- Acquired firsthand exposure to professional and non-profit development dynamics.
- Incorporated accessibility design tailored to users with visual impairments.
