EXPERIENCE

Careington International Corporation

Web Designer

Frisco, TX

11/2025 - Present

- Design and develop landing pages and marketing materials for internal campaigns and external clients.
- Built automation scripts that streamline development and proofing processes by up to 95%.
- Improved accessibility awareness and implemented WCAG-compliant features across all sites.

Independent Contractor

Frontend Developer / Web Accessibility Specialist

Denton, TX

06/2023 - 11/2025

- Developed responsive and user-friendly web applications using a variety of front-end technologies.
- Collaborated with clients to translate their visions into fully functional and visually appealing websites.
- Conducted accessibility audits to identify and address WCAG compliance issues.
- Demonstrated proficiency in version control with Git, ensuring seamless collaboration.

Winstar World Casino

Table Games Supervisor / Pit Boss

Thackerville, OK

01/2012 - 11/2021

- Managed pit areas with a staff of 20-40 dealers and an average buy-in volume of \$125,000 per shift.
- Consistently maintained or exceeded the industry standard of 15% hold.
- Built customer loyalty through personalized interactions and relationship-building.
- Ensured game integrity by eliminating potential threats, such as card-counting on blackjack tables.
- Enforced Title 31 of the Bank Secrecy Act and recognized potential money laundering situations.

VOLUNTEER WORK

Dentonpalooza

Webmaster for the yearly non-profit charity music festival, Dentonpalooza.

Denton, TX

08/2023 - Present

- Utilized React and Framer Motion to build an engaging, informational website.
- Translated artistic direction into UI/UX, while incorporating sponsor identities.
- Acquired firsthand exposure to professional and non-profit development dynamics.
- Incorporated accessibility design tailored to users with visual impairments.
